

Real Hair Loss Solution

Stimulant

for Thinning Hair

**Pure Therapeutic
Grade Essential Oils**

Our amazing stimulant for hair loss is made of only the finest quality, high-grade organic essential oils. Sea Buckthorn, one of our main ingredients is known to help stimulate hair growth and contains multiple omegas and vitamins, which help promote healthy hair and scalp.

Additional Ingredients include Rosemary, Peppermint, Lavender, Jojoba, Thyme and Juniper that are specially formulated to stimulate blood flow to the scalp. The scent will leave you with a feeling of comfort and serenity.

Experience Fuller Thicker Hair with More Elasticity

To complement your **Stimulant for Thinning Hair** we offer a specially formulated *Shampoo and Conditioner for Hair Loss*.
